

AZURE PERIMETER 4-DAY TRAINING

Network, security, and monitoring.

Boost the skills of your IT, Networking, and Security teams

Synergy Advisors' **Azure Perimeter 4-Day Training** is made up of strategic sessions, masterclasses, and hands-on labs, designed to take the user on a journey through the main models, concepts, and protocols related to managing, securing, and monitoring your corporate network. In 4 days, your team will learn best practices and tactics in network design, architecture and topology, network types, operation, perimeter protection, policies, and security from a Zero Trust model perspective.

Training overview

Training Scope

WHO SHOULD ATTEND?

- IT, Security Personnel
- Level 300

TRAINING LENGTH

- 4 days (flexible schedule)

LOCATION

- Remote
- On-site

Deliverables
